## **Jessica Katzenmeyer Now Running for State Senate**

**WEST ALLIS, WI** -- Jessica Katzenmeyer (D), candidate for the U.S. House of Representatives in Wisconsin's 5th Congressional District, has released the following statement regarding suspending her congressional campaign:

"After much thought, I have made the tough decision to end my campaign for Wisconsin's 5th Congressional District. With the recent Wisconsin Supreme Court decision on the state's district maps, I believe I will be able to best serve the State of Wisconsin by running for State Senate in the fifth senate district. I could not be prouder of all that we have accomplished since launching our congressional campaign back in October. We plan on continuing that same momentum in our State Senate campaign and help bring new, diverse voices to Wisconsin's government."

Jessica Katzenmeyer is a former union member of 12 years, an LGBTQ+ rights activist, and a former candidate for Wisconsin State Assembly. As someone who nearly lost her life only to find out that her hospital bill was over \$80,000, Jessica understands the importance of having affordable health care. Whether by fully funding our schools, expanding BadgerCare, or fighting for workers' rights, Jessica will fight for a more equitable Wisconsin.

Katzenmeyer announced her campaign for State Senate with 15 endorsements from elected officials and community leaders.
